I. Table of Specifications

Table 1. Table of Specifications

No.	Competency	Code	Days Taught	Weight (%)	No. of Items	Item Placement
1	Scientific investigation	S7MT-Ia-1	2	20.00	4	1–4
2	Properties of solutions	S7MT-Ib-2	3	30.00	6	5–10
3	Pure substances and mixtures	S7MT-Ic-3	3	30.00	6	11–16
4	Acids and bases	S7MT-Id-4	2	20.00	4	17–20
	Total		**10**	**100.00**	**20**	

Note. No. of items = (days taught ÷ total days) × 20 items.

Notes on Computation

- Items per competency = (days taught ÷ total days) × total items, with remainders given to the largest fractions so the column always totals the number of items.
- This report records results only; it does not compute or replace grades.
